

Honduran Mission

During the holidays, many parishes have a special “gift giving” program to help the poor. Please consider our brothers and sisters who live in the missions during this special time. Your Advent giving is a blessing to those who live in poverty.

May God bless you for your kindness!

- Fr. Craig Pregana ✠
the Parish of St. Rose of Lima, Guaimaca, Honduras

Christ comes to us in the poor!

Advent Giving

Share your blessings to help others.

Consider making a gift through the parish to help the poor in our Diocesan Mission

“Advent Tree Gift Tags”

If your parish has an Advent Tree, please consider hanging these gift tags for the Mission. (see sheets included)

Due to the expense of the container ship that usually transports items to the Mission; we are asking for monetary donations with which we can buy the items in Honduras.

Thank you for your generosity!

Donations for the Advent Giving may be sent to the Diocesan Office of the Propagation of the Faith. Please note on the check, “Advent Giving Tree” and the donation will be forwarded to the Mission.
